

The “Prof. Tielen fund” Foundation

Only young scientists who will present a paper at the congress can apply for financial support. Preliminary abstracts should be submitted on line to the scientific committee ISAH 2024, Chang Mai, Thailand. The information of the congress can be found on the internet website of congress: www.isah2024.vet.cmu.ac.th/isahcmu

This completed application form together with a copy of the abstract should be send to:

Ir. Pieter Tielen (pietertielen@hotmail.com)

Recommendation by the country representative of ISAH in your country:

Country representatives can be found on the ISAH website, in case there is no country representative in your country you can ask another well recognized person to sign the recommendation. Personal e-mails by the country representative are also accepted. Instead of the country representative, another recognised person can also sign the application form. This is usually a professor or similar person from the university the student is attending.
